

Validation Report

Item 1 of 1

You are required to complete the **post-assessment validation** as part of a group validation meeting of a minimum of three (3) participants - The Lead validator, yourself, and one other participant.

During this meeting, you are required to review all completed assessment tools and instruments for all students you have marked for the unit FSKWTG008, as well as the assessment plan, marking guides, mapping matrix, Training and Assessment Strategy (TAS), and unit of competency.

You will need to access and review the assessment tools and Instruments to be validated. These are the ones you used to assess the students in Project 2 for the unit **FSKWTG008 Complete routine workplace formatted texts**.

Step 1. Using the **Post-Assessment Validation Report**, complete Part A - Validation Overview extracting the necessary information from your assessment tools and instruments, including assessment plan, marking guides, mapping matrix, Training and Assessment Strategy (TAS) and unit of competency, as used in Project 1 (Validation) and Project 2 (Conduct Assessment)

Step 2. Using the **Post-Assessment Validation Report** template, review and discuss all completed assessment tools and instruments for all students, as well as any feedback provided by the student/s, the assessment plan, marking guides, mapping matrix, Training and Assessment Strategy (TAS) and unit of competency to determine whether they meet the principles of assessment and the rules of evidence.

Step 3. Complete Part B of the **Post-Assessment Validation Report**. Systematically work your way through the document and determine how the assessment process meets the requirements or complies with each statement.

NOTE: You are required to enter a comment for each statement.

Ensure you have recorded the name and email address of each validator in the template.

Upload your completed **Post-Assessment Validation Report**.

If required, add a note or written response to accompany your submission

Each file uploaded can be no more than 1GB, uploaded files can be removed before submission
