

Review assessment practice

Item 3 of 3

Now that you have made your final assessment judgement, it is time to review your own assessment practices based on feedback from colleagues and students and your own self-reflection.

This involves:

Seeking feedback from students on your assessment practices

- Analysing the feedback and your own assessment practices to identify opportunities for improvement

Step 1. In line with the BrainstormRTO policy of gathering student feedback - Students have been asked to complete the student survey on the assessment process they have undertaken. Access the BSBPEF202 - Student Feedback forms from BrainstormRTO. Once you have analysed the feedback, complete the outstanding fields.

Step 2. Based on the feedback from your student and your own self-reflection, complete the **Self-Reflection Form**. You are required to Identify **at least three (3) changes** to improve your own assessment practice.

If you haven't identified three (3) opportunities for improvement in your previous self-reflections - ensure you list opportunities in this self reflection.

Upload the following completed documents:

- **Self-Reflection Form**

If required, add a note or written response to accompany your submission

Each file uploaded can be no more than 1GB, uploaded files can be removed before submission
