Hi David, your printing is finished, sorted and ready for you to collect from the admin office.

Is there anything else I can help you with?

Regards

Chris

Thanks David, I've learnt something new – I didn't know about blackline masters – thanks for explaining that. I'll start your copying at 9am and let you know as soon as it's finished.

Regards

Chris

Goodness – you are on the ball Chris. No need to worry about copyright – these worksheets are blackline masters that means we've purchased the originals and the copyright licence allows us to make as many copies as we like.

I need the copies by 2p.m. tomorrow afternoon for my VET class.

I really appreciate your help with this.

Regards

David

Subject: Request for printing

Hi David

I've just found your request in my in-tray, and you would like me to copy the worksheets 30 times for your class tomorrow.

I need to confirm copyright – since you want the entire document copied – does this comply with copyright legislation? If you don't know the answer – I can check with Mary.

What time do you need the copying completed by? I have set tasks that I must do from 8 a.m. till 9a.m. – I could do your request after this.

Regards

Chris
